2024 Cook-Off & Basket Information

COOK-OFF - HOW IT WORKS:

- Each group will "sign-up" by letting Jessica know what category you will be participating in.
- The group will work together to provide, prepare and present the food on the day of the picnic.
- Tables are limited - if you can provide your own table please do so.
- Feel free to decorate your table - There is a competition for that as well!
- Attendees will purchase tickets and present those to each table for a sample.
- Judges will be designated to determine the winner for each category.
- Tickets will be counted at the end for "People's Choice" award.
- TAC will supply the plates, forks, spoons, napkins, trash bags and sample cup.
- Number of servings needed will be shared as ticket sales progress.

Categories:

- Meat (pork, steak, chicken, etc.)
- Desert

Basket Information:

- If you would like to donate a basket for auction please deliver the basket to Jessica or to Central Office (TVICO) no later than May 30th.
- Baskets will be accepted the morning of the picnic as well.
- TVICO: 111 S. Orchard St. Ste. 180, Boise, Idaho 83705

All funds received as a result of the basket auction and cook off ticket sales will support TAC.
