

Greetings!

Our checking account balance is \$10,513.26. TVICO bills for printing and our quarterly book order have been paid.

- I am returning to Boise on February 24, will collect monies for deposit, and finalize the TVTAC January statement next week.
- I will also get the Android phone that Michelle is donating and proceed with a Mint Mobile account so that we can set up our Venmo account.
- Garren T. Is working on a proposal for TVTAC insurance. I expected to hear from him by now and will report at the meeting if I receive the proposal by then.

Love in service,

Viv L.

TVTAC Treasurer
