

## TAC Literature Report 2/21/26

The early buy 2<sup>nd</sup> quarter books have been received. By purchasing before the price was changed TAC saved 2130.00 on a 5867.10 dollar order. 40 large print abridged AA books are on back order.

Prior to this order shipping I removed most of the picnic supplies to our basement to create room for all the books. When there is more room in the closet I will move the picnic supplies.
